YOU SAID...

We loved hearing your amazing ideas and we discussed the issues you raised at our first school council meeting.

Children really wanted access to more activities and equipment at lunch time.

TOP IDEAS

A sheltered area for pupils to do activities in during winter.

WE DID...

Create a plan for a weekly school council led activity on the playground at lunch time.

Secured some funding from a local councillor at our meeting to spend on new equipment.

NOTE FROM THE AMBASSADORS

We had a fantastic time at County Hall. We got to run the meeting from the chairperson's seat. They even had cameras and microphones when we spoke! We got some great ideas to bring back to school too!

SCHOOL COUNCIL ACTIONS

A School Council Trip

Last half term our school council visited County Hall in Preston. We were hosted by our local councillor and their education team. We also had Mr Ellard, one of our school Governors, with us.

All of our school council took part from Reception to Year 6. We learnt all about democracy and the role of the council in our local area.

We were lucky enough to hold a school council meeting in the actual chamber! We discussed what our pupils were saying and made a plan of action

Check out Facebook for more pictures and videos of our trip.
